

SOLBON®

SOLBON® is a highly effective cleaning agent with fast evaporation.

USAGE

SOLBON® is a very effective cleaning agent with fast evaporation, and therefore it is used especially for surface preparation before gluing, sealing and sealing. It quickly and gently removes residual oil products from the surface and thus significantly increases work efficiency.

BENEFITS

dries very quickly
absolutely clean surface
increases work efficiency

USER MANUAL

1. Shake the can well before use.
2. Apply from a distance of approx. 20-30 cm.
3. For heavier soiling, first remove the coarse dirt mechanically.
4. You can spray several times until the surface is completely clean

TECHNICAL DATA

Flash point	below 0 °C
Density (20 °C)	675 kg/m ³
Vapor pressure (40 °C)	575 kPa
Evaporation category (dle PN 18/10)	extremely fast evaporation
Evaporation rate (dle PN 18/10)	< 1 min

All products of NOVATO® spol. s.r.o., which are a chemical mixture or a dangerous chemical mixture, are properly classified, marked and equipped with safety data sheets in accordance with the Chemical Act and relevant regulations within the EU. All hazardous mixtures have a safety data sheet, which is freely available on our website www.novato.cz, eventually at our sales representatives and in the sales department of the company. All users of NOVATO® products are legally required to familiarize themselves with the technical and safety data sheets of the product concerned to ensure proper use, storage and handling of the product. Our oral and written technical recommendations, which we transmit with the utmost knowledge, cannot cover all details and conditions of the application and do not exempt users from their own examinations and tests in relation to third party rights. Therefore, the user is obliged to perform tests and tests for individual applications in such a way as to eliminate all risks associated with the application of the chemical mixture, especially the hazardous chemical mixture, as these applications and their conditions are beyond our control possibilities. NOVATO® spol. s.r.o. guarantees the declared quality of its products and the properties described in the technical and safety data sheets.
