

NO 1® ULTRA

NO 1 ULTRA is organic degreaser and detergent for technical use. It is non-toxic, very effective, it evaporates very well. It cleanses machines, components and the majority of surfaces soiled by oils, vaseline and coarse dirt. It replaces chlorinated hydrocarbons, gasoline and other toxic degreasers.

USAGE

NO 1 ULTRA is used for technical cleaning and degreasing in industrial facilities, car repair shops and for general maintenance. It does not damage varnished surfaces, metals, glass or the majority of plastics. In addition to grease, it also removes silicon, tar, some adhesives and sealants.

All products of NOVATO® spol. s.r.o., which are a chemical mixture or a dangerous chemical mixture, are properly classified, marked and equipped with safety data sheets in accordance with the Chemical Act and relevant regulations within the EU. All hazardous mixtures have a safety data sheet, which is freely available on our website www.novato.cz, eventually at our sales representatives and in the sales department of the company. All users of NOVATO® products are legally required to familiarize themselves with the technical and safety data sheets of the product concerned to ensure proper use, storage and handling of the product. Our oral and written technical recommendations, which we transmit with the utmost knowledge, cannot cover all details and conditions of the application and do not exempt users from their own examinations and tests in relation to third party rights. Therefore, the user is obliged to perform tests and tests for individual applications in such a way as to eliminate all risks associated with the application of the chemical mixture, especially the hazardous chemical mixture, as these applications and their conditions are beyond our control possibilities. NOVATO® spol. s.r.o. guarantees the declared quality of its products and the properties described in the technical and safety data sheets.
