

BAS

BAS is a universal, highly effective disinfectant that reliably liquidates bacteria, yeast cells, germs and molds. It prevents occurrence of those undesirable micro-organisms, it reduces sweating, eliminates unpleasant odor and smells agreeably.

USAGE

Due to its properties, BAS is intended for treatment of working clothes, footwear, socks, gloves, head-pieces, hermetic overalls as well as lockers for clothes, wardrobes, showers and public rooms. Its use is very universal. If used, for example, for working footwear and socks, it prevents occurrence of undesirable micro-organisms, it reduces sweating of feet, and thus eliminates their unpleasant odor. Thus, it markedly contributes to the reduction of tiredness and to the prolonged feeling of freshness and comfort.

BENEFITS

- Effective disinfection
- It prevents occurrence of undesirable micro-organisms
- Universal use
- It removes undesirable odor
- It smells agreeably

All products of NOVATO® spol. s.r.o., which are a chemical mixture or a dangerous chemical mixture, are properly classified, marked and equipped with safety data sheets in accordance with the Chemical Act and relevant regulations within the EU. All hazardous mixtures have a safety data sheet, which is freely available on our website www.novato.cz, eventually at our sales representatives and in the sales department of the company. All users of NOVATO® products are legally required to familiarize themselves with the technical and safety data sheets of the product concerned to ensure proper use, storage and handling of the product. Our oral and written technical recommendations, which we transmit with the utmost knowledge, cannot cover all details and conditions of the application and do not exempt users from their own examinations and tests in relation to third party rights. Therefore, the user is obliged to perform tests and tests for individual applications in such a way as to eliminate all risks associated with the application of the chemical mixture, especially the hazardous chemical mixture, as these applications and their conditions are beyond our control possibilities. NOVATO® spol. s.r.o. guarantees the declared quality of its products and the properties described in the technical and safety data sheets.
