

NR® - INVISIBLE GLOVES

NR® - INVISIBLE GLOVES protect skin against aggressive substances and dirt. They do not dry skin up but make it smooth and nourish it thanks to their original composition.

USAGE

NR® protects skin against irritation caused by contact with aggressive substances like solvents, acids, alkaline substances, adhesives, paints, etc. NR® protects skin perfectly enabling it to breathe but it is not water-removable. It enables working with fine parts where the use of gloves may be problematic.

BENEFITS

- Protects skin perfectly
- Skin can breathe
- Easy wash even of strongly contaminated skin

NR[®] - INVISIBLE GLOVES

USER MANUAL

Shake NR[®] and apply a sufficient quantity of foam to clean skin, holding the container upside-down, rub in well. Use soap and water to remove it.

REK®

All products of NOVATO® spol. s.r.o., which are a chemical mixture or a dangerous chemical mixture, are properly classified, marked and equipped with safety data sheets in accordance with the Chemical Act and relevant regulations within the EU. All hazardous mixtures have a safety data sheet, which is freely available on our website www.novato.cz, eventually at our sales representatives and in the sales department of the company. All users of NOVATO® products are legally required to familiarize themselves with the technical and safety data sheets of the product concerned to ensure proper use, storage and handling of the product. Our oral and written technical recommendations, which we transmit with the utmost knowledge, cannot cover all details and conditions of the application and do not exempt users from their own examinations and tests in relation to third party rights. Therefore, the user is obliged to perform tests and tests for individual applications in such a way as to eliminate all risks associated with the application of the chemical mixture, especially the hazardous chemical mixture, as these applications and their conditions are beyond our control possibilities. NOVATO® spol. s.r.o. guarantees the declared quality of its products and the properties described in the technical and safety data sheets.
