

OTAVON® 3000

Cream, liquid hand-washing agent with unique cleansing and smoothing properties. The composition of the washing cream does not contain substances harmful to skin, and guarantees effective removal of dirt. It contains natural ground hazelnuts which increase washing effectiveness, and skin-treating substances. Dense, pale brown cream with fruity-flowery scent.

USER MANUAL

Apply the cream to dry dirty hands and rub in into skin until the dirt is released. Then rinse thoroughly with flowing water. Recommended both for grease and for dry dirt. It removes oils, lubricants, bitumen, hydrocarbons, fresh paints, silicon, rust, graphite, adhesives, resins, etc.

NOTICE

Avoid contact with eyes. Can cause eye irritation. In the case of contact with an eye, immediately rinse out with water for 15 minutes. If irritation persists, contact a physician. If swallowed, contact a physician immediately. Keep out of the reach of children. For professional use. To be used within 12 months after opening.

OTAVON® 3000

All products of NOVATO® spol. s.r.o., which are a chemical mixture or a dangerous chemical mixture, are properly classified, marked and equipped with safety data sheets in accordance with the Chemical Act and relevant regulations within the EU. All hazardous mixtures have a safety data sheet, which is freely available on our website www.novato.cz, eventually at our sales representatives and in the sales department of the company. All users of NOVATO® products are legally required to familiarize themselves with the technical and safety data sheets of the product concerned to ensure proper use, storage and handling of the product. Our oral and written technical recommendations, which we transmit with the utmost knowledge, cannot cover all details and conditions of the application and do not exempt users from their own examinations and tests in relation to third party rights. Therefore, the user is obliged to perform tests and tests for individual applications in such a way as to eliminate all risks associated with the application of the chemical mixture, especially the hazardous chemical mixture, as these applications and their conditions are beyond our control possibilities. NOVATO® spol. s.r.o. guarantees the declared quality of its products and the properties described in the technical and safety data sheets.
