

## BARVOJED®

BARVOJED® is a biodegradable, non-hazardous paint remover. Up to 20 min. removes paints based on acrylates, polyurethanes, epoxies, alkyds, etc. from a solid surface.

### USAGE

BARVOJED® is used wherever we need to remove paint easily, quickly and without damaging the substrate. Unlike most commercially available preparations based on chlorinated solvents, acids or bases, BARVOJED® is composed of non-hazardous biodegradable organic solvents. It is safe for wood, metals, plastics and glass. Residues of BARVOJEDU® can be easily washed off with water.

### USER MANUAL

Apply BARVOJED® in sufficient quantity to the old paint, the paint will soften within 20 minutes and can be used easy to remove (wipe, rinse). Wash the remaining BARVOJED® with water. Repeat if necessary.

### TECHNICAL DATA

Physical state (20 ° C) gel  
Density 855 kg / m<sup>3</sup>

All products of NOVATO® spol. s.r.o., which are a chemical mixture or a dangerous chemical mixture, are properly classified, marked and equipped with safety data sheets in accordance with the Chemical Act and relevant regulations within the EU. All hazardous mixtures have a safety data sheet, which is freely available on our website [www.novato.cz](http://www.novato.cz), eventually at our sales representatives and in the sales department of the company. All users of NOVATO® products are legally required to familiarize themselves with the technical and safety data sheets of the product concerned to ensure proper use, storage and handling of the product. Our oral and written technical recommendations, which we transmit with the utmost knowledge, cannot cover all details and conditions of the application and do not exempt users from their own examinations and tests in relation to third party rights. Therefore, the user is obliged to perform tests and tests for individual applications in such a way as to eliminate all risks associated with the application of the chemical mixture, especially the hazardous chemical mixture, as these applications and their conditions are beyond our control possibilities. NOVATO® spol. s.r.o. guarantees the declared quality of its products and the properties described in the technical and safety data sheets.
